Staff Appreciation

Thank you to all our volunteers who provided food this past school year for staff treat days and for new student luncheons! The staff was so appreciative and complimentary of all your efforts. You really made every 2nd and 4th Friday morning a treat for our faculty and staff and the new student luncheons a fun time.

Senior Events

The seniors had a great senior week May 18-22! There were a breakfast buffet, fruit smoothies, free beach towels, Chick fil-A lunch, a senior banquet, volleyball game, paint war, and goody bags at rehearsal. Thank you to the administration for allowing a fun-filled week and to the senior parents and senior faculty for supporting all the senior events this year.

Harris Teeter's *Together in Education* program has awarded thousands of dollars to local schools throughout the years...and WHS is no exception. This year alone, we earned over **\$6,000** from Harris Teeter by people linking their VIC card to WHS.

However, Harris Teeter requires that **EACH AUGUST** you **RE-LINK** your VIC card to the school(s) of your choice. Otherwise, your card will not be linked to any school.

Don't worry...we will remind you! :) When August 1st rolls around, please re-link at any HT store or go to www.harristeeter.com. Our school code is **4323**.

Target REDcard

Thank you to those who used their Target REDcard this year. We earned over **\$2,000!** Please continue to shop

Target, take advantage of savings, and help WHS earn money.

See you in August!
